

## **Welcome to NCHS Service League of Boys!**

We have received your online registration for academic year 2022-23. Please finish the **two additional steps** explained below to complete your registration.

### **Step 1 - Payment**

If you just paid ONLINE (PayPal Account OR Pay with Debit or Credit Card), please check that you received a payment confirmation with a receipt for your dues payment for each student SLOB member. If you received such confirmation, your payment step is complete. (There is no need to pay dues for parent SLOB members.)

If you are paying OFFLINE, please mail your check (payable to "New Canaan Service League of Boys") with a copy of this confirmation to:

**Jocelyn Weitfeldt**  
**168 Marvin Ridge Road**  
**New Canaan, CT 06840**

***Please be sure to include the name of the student SLOB member in the memo line of the check.***

## **Step 2 – Register for Track It Forward account**

Every student SLOB member and parent SLOB member is required to have an account with Track It Forward to sign up for volunteer events and to track volunteer hours.

### ***If you are an existing student SLOB member or existing parent SLOB member:***

We are thrilled you are joining us again this year as a SLOBs member. As you know, we use Track It Forward to sign up for volunteer events and track volunteer hours. Because you have volunteered in the past, your Track It Forward account is still active and you can start signing up for activities right away. Please do a test login to make sure you can access your account. Once complete, you are ready for the 2022-23 SLOBs year!

Note: A parent SLOB member only needs one Track It Forward account. There is no need to create another account if an additional student has newly become a SLOB.

### ***If you are new student SLOB member or a new parent SLOB member:***
